### **Tent to Be Set Up in the Parking Lot**

As we begin a new relationship with New City Church, they are covering the cost for setting up a large tent in the CUMC parking lot. New City will host Covid-19 appropriate worship in that tent on Sunday evenings. Urban Promise will be able to use the tent if needed during the summer and into the fall. Cokesbury will also use the tent for programs and services.

### **August 2 Tent Worship Service**

At 9:00 a.m. on August 2, we will offer an in-person, socially distanced worship service in the parking lot at Cokesbury. Folks will need to bring their own chairs and water, go to the bathroom before leaving home (as our facilities will not be open for public use), and wear a mask. More details will be included in next week's newsletter.

### **Ministry Board Meeting, July 27**

The Cokesbury Ministry Board will meet via ZOOM at 7:00 p.m. on July 27. Only board members may vote, but everyone in the church is invited to sit in on the meeting. If you would like to join that meeting, email Pastor Jonathan ([jonathan@cokeburyumc.net](mailto:jonathan@cokeburyumc.net)) for sign-in information.
